Sir:

The references cited on attached form PTO/SB/08A are being called to the attention of the Examiner. It is respectfully requested that the cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

Also enclosed is a copy of Search and Examination Report dated April 23, 2004 for the corresponding United Kingdom application GB0323448.1 which cites the enclosed references. Please note that the UK examiner cites EP0866490 which is the equivalent of U.S. Pat. No. 6,114,804 and therefore the U.S. patent is cited on the attached PTO/SB/08A.

As provided for by 37 CFR §1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

Applicant believes that no fee is required for submission of this statement.

However, if a fee is required, the Commissioner is authorized to deduct such fee from the undersigned's Deposit Account No. 20-1430. Please deduct any additional fees from, or credit any overpayment to, the above-noted Deposit Account.

Respectfully submitted,
